

The DeWitt Elementary PTA is working for your children! You can help!

Last year the PTA donated almost \$30,000 to the district's four elementary schools. These monies were used to help fund special assemblies, cultural awareness projects, field trip transportation and many other activities. The PTA also hosts Parent Education Programs throughout the year and contributes funds to the district calendar. Fund-raising activities include the Spring Carnival and Spirit Sale.

Your PTA membership will include discounts from many DeWitt-area merchants such as:

Beaner's Coffee

Participation in the DeWitt Elementary PTA can mean more than just financial support of school-related activities and events. The PTA coordinates volunteer efforts in your child's building throughout the year, providing you with opportunities to meet staff and work with other parents. While we encourage participation at whatever level you are comfortable with, PTA membership does not obligate you to participate. Your support of the membership drive is greatly appreciated! **Join by October 5th to be included in and receive a free copy of the PTA Elementary Directory.**
